

Tequila

Made from 100% Blue Agave and produced under Mexico's protected denomination of origin. The agave spends up to 8 years growing before harvest, then gets slow cooked for 3 days to draw out the sweet nectar before being fermented and distilled into tequila.

BLANCOS

Unaged, young "white" tequilas with bright, zesty flavour and a clean agave kick.

Fresh, lively and made for margaritas, palomas and good decisions that usually start with "one more".

Rested in oak barrels for 2 to 12 months, giving the tequila time to mellow, soften and pick up extra depth. Expect smooth agave flavour with hints of vanilla, light oak and a touch of earthy warmth.
